Steve and Janet grew up around the block from my brother Allen and I. We attended many birthday parties while we were kids and our parents were friends. Steve and I were even on the "Skipper Chuck Show." Even though we all went our separate ways after school, I'll always have the memories. Prayers for Steve's family and friends.

A good man, friend and husband to his wife. We were privileged to have been present when Steve and Amanda were married in a beautiful, late afternoon ceremony. Amanda was stunning in her wedding gown, that glistened and shimmered in the golden rays of the sun and the look in Steve's eyes when he saw her brought tears to many eyes, including ours.

Steve you will be missed by many friends, myself included. I met you through my son, Ron, and you were a

good friend to both of us. We had many good times at the house on the beach, thanks to you and Ron. Love you Steve.
