OBITUARY

Dr. Kerry Lee Nagel

MARCH 11, 1956 - JANUARY 8, 2025

IN THE CARE OF

Winkenhofer Pine Ridge Funeral Home and Memorial Park

It is with heavy hearts that we announce the passing of Dr. Kerry Lee Nagel, a beloved husband, father, brother, physician, and friend. Born in March 1956, Kerry radiated joy and optimism from an early age. A jovial and cheerful boy, he grew up in Miami with an early passion for boating and fishing. He had a profound desire to help others, a passion that would guide his life's work.

He earned his undergraduate degree at Florida International University and attended Nova Southeastern medical school. His dedication to his work earned him the love and respect of all who knew him.

Kerry is survived by his wife Shaula-Ann; two daughters, Danielle and Lauren; his mother, Naomi; sisters Kristine Riley and Kimberlee Hodges; brother-in-law Derek Hodges; son-in-law Dr. Peter Alexandrov; and many nieces and nephews.

Kerry's life was a testament to the power of kindness, passion, and perseverance. Though his passing leaves an unfillable void, the memories of his bright spirit and the profound impact he had on countless lives will remain forever.

We give thanks to God for the blessing of having Kerry in our lives. While we mourn his passing, we take solace in the hope of reunion in Heaven. Kerry's unwavering faith and love remind us to trust in God's grace, and we hold fast to the hope of one day being reunited with him in the presence of our Heavenly Father.

A celebration of his life will be held at St. Clare of Assisi, 6301 Cedarcrest Rd, Acworth, GA, on the 16th of January 2025 at 11 o'clock. In lieu of flowers, the family kindly requests donations to St. Claire of Assisi's Building Fund.

Kerry will be deeply missed but forever cherished by the multitude of lives he touched. His legacy of love, friendship, dedication, and healing will continue to inspire us all.

Condolence to his family and his work family. Dr. Nagel has treated my family many times over his years at the Hiram PIC. I had noticed he was not present my last few trips there with family members. He genuinely listened to your concerns and treated them thoroughly. He taught all of the

providers to practice like that a swell. He always had a smile on his face and a contagious laugh. I am so sorry to hear of his passing. I know he is in heaven leading a good joke! He will be dearly missed at the urgent care. God bless his family with comfort and peace!

To Kerry - my best friend since the third grade. Met when we were seated alphabetically and N was next to P - so there we were - unaware the friendship would last 60 years. You are still with us in our hearts. And don't worry, like we promised each other 30 years ago - I erased your computer search engine. Rest in peace my brother.

I just found out about Dr. Nagle's passing. I knew him from Peachtree Urgent Care in Hiram, Ga. Anytime I got sick, he is the one I always asked for. I once asked him if he could be my doctor and his reply NO. "I am urgent care only". My husband and I will forever miss him. My sincere condolences go out to his family. I am in shock.

Thank you Dr. Nagel for training me in urgent care. It was a pleasure to work with you in Hiram. You are a doctor I aspire to be like in my practice and I admired your practice style. I will always appreciate the advice you gave me. I will also check out the restaurants you wanted me to visit in Miami when we had a break in clinic. You are truly missed and a world class physician.

I worked with Dr. Nagel at Physicians Immediate Med 2013-2015. He was a kind and caring Doctor. He never made you feel beneath him or that he didn't care what you had to say. He listened with interest and always has a smile. You will be missed Dr. Nagel. You truly were one of the good ones! My deepest sympathies to his family. I can't image your loss.

As a worker in the Acworth PIC Ctr I worked under his leadership in our region 2018-2020. . Never forget him dropping by to lend a hand on his off off day on several occasions unannounced - if somehow he knew we were swamped with patients . Prayers to his family and close friends and colleagues . His legacy of friendliness , kindness , and self sacrifice will live on in the many lives he touched .

Dr. Nagel and his wife, Shaula, traveled to Florida to celebrate my wedding, a gesture that meant so much to me. I had the privilege of working with him in Georgia, and I knew he would enjoy the taste of fresh Florida seafood. Dr. Nagel was more than a colleague; he was a source of unwavering support, wise counsel, and endless laughter. As fellow Aries, we shared a natural camaraderie—always playful, always adventurous, especially when it came to food.

I am deeply grateful to God for allowing our paths to cross and for the precious memories we created. Dr. Nagel was a man of immense kindness, a compassionate healer, and a soul whose light radiated through his dedication to helping others. His genuine and pure heart touched everyone around him.

I find comfort knowing he is now in God's embrace, his spirit resting peacefully. Dr. Nagel, you were more than enough. You were loved, cherished, and you profoundly changed the lives of those who were blessed to know you. Rest easy, knowing your legacy of kindness and care lives on in the hearts of so many.
